Re: Medicn Patent Verwaltung AG v. Warner Bros. Entertainment, Inc., et al.  
Civil Action No.: 1:10-cv-04119-CM-GWG

Dear Judge McMahon:

In your January 23, 2013 Order, the Court set a conference for Friday, February 8, 2013 at 11:00 a.m. Primary counsel for Technicolor Inc. and Warner Bros. Entertainment, Inc. ("Warner Bros.") are not available on that date. The undersigned will be in a mediation on February 8, 2013 in Washington D.C. that has been scheduled since early December. Dan Lechleiter is scheduled to have his first child in Indianapolis that week and is also unavailable.

We have contacted the other parties in the case about this availability issue. Not all of the parties are in agreement to request rescheduling the conference date, but all parties are agreeable to having the undersigned participate in the conference by telephone, provided that is acceptable to the Court.

For these reasons, Technicolor and Warner Bros. respectfully request that the undersigned be permitted to participate in the February 8, 2013 conference by telephone.

Respectfully submitted,

R. Trevor Carter
